

September 8, 2020

Good afternoon WLMS Community! I wanted to reach out and thank you for an amazing opening day to the 20-21 school year. The staff was exceptionally excited to see and speak with so many students today. Yes, even those students who weren't quite awake yet and haven't adjusted to being up before noon :) I hope your students reported having a great day back and are feeling comfortable with using the Canvas Calendar and Courses to access all of their codes and materials. Reminder, when in doubt all classes have the same meeting code format: WLMS-Teacher 1stInitialLastName-PDX. As an example WLMS-CRattay-PD1.

A reminder that tomorrow students do not attend any classes and have the time to work on their assignments. If you have any questions please do not hesitate to reach out and let us know. The main office is open M-F 7:30 am to 3:30 pm. Also as a reminder please check out our WLMS website for updated news and information. If you have a specific question or concerns you can reach out our counseling department or a member of our administrative team.

Finally if you haven't had a chance please check out the staff welcome back video at <https://youtu.be/Pu3clWQO5KI>. As always thank you for all of your support and remember together we are here to MAKE GREAT THINGS HAPPEN for our student, staff, and community.

Have a great evening!
Mr. Rattay
