Happy Friday Tiger Shark Families,

Just a quick reminder that next week we are holding a virtual orientation for those 6th grade students who will return to the building the week of March 29th. The meet code for all the orientations will be WLMSReturn. We have separated the orientations into two groups for 6th grade, those who will be returning in the "A Day" group, and an orientation for the "B Day" group. You should have received an earlier email today from WLMS indicating which group your student will attend. The information on the designation of A Day or B Day group can also be found on [HCPSS Connect Synergy](#) – by using parent/guardian credentials.   Parents and students are welcome to attend the virtual orientation.
