

The Everyday Jazz Band will be performing tomorrow (2/15) at the Mid Atlantic Jazz Festival, 12:00 noon.

Hilton Hotel and Executive Meeting Center

1750 Rockville Pike

Rockville, MD 20852

This is our biggest gig so far, a full hour-long set. It is open to the public, and it's a really big deal. Please come out and support the kids if you can. Free concerts in the atrium start this afternoon at 3:00pm. They run with a new group every hour, on the hour, through Sunday 8:00pm. (If you enjoyed our guest performer Chelsea Green last year, you can catch her in performance tomorrow evening. Also performing late tomorrow night, Grammy winner Terri Lynn Carrington. Other notable performers: The Airmen of Note - USAF, Towson University Faculty Combo, Terrell Stafford, Alex Hamburger, and many, many more.)

...our kids are on from 12:00pm - 1:00pm, Saturday, Feb. 15...
