

WLMS Newsletter 5.1.2020

Happy Friday WLMS Tigershark Families,

I want to thank you again for your patience as we navigate the virtual learning experience. We only have a handful of students left who have not received the devices requested and the HCPSS Technology Department is working hard to send out the remaining items. In my discussions with the teachers, the students and staff are all feeling more comfortable with distance learning. And not to brag, but our attendance/participation rate is over 99%.

Next week, is staff appreciation week and I am extremely proud of our hard working staff. With social distancing in place, we need to show our appreciation virtually until we can get together again. If your child has a favorite staff member that has touched their life, you might consider giving them a quick note thanking them.

You can reach out to any WLMS staff member by locating them on our Website and sending an email if you have any questions, concerns, or need assistance

Enjoy the weekend,

Chris Rattay
Principal
