

Good afternoon WLMS Community,

It's been a pleasure meeting many of our new families this morning and afternoon during the supply distribution. Remember we are open this evening still from 5 pm to 7pm. You **ONLY** need to come to the school if you received an email directly from the school about a specific pick up item: Chromebook, Art supplies, Project Lead The Way Class, or if you are a new student to WLMS (we have a rally towel and a few WLMS supplies). **Again you DO NOT need to come to the school unless you received an email or phone call.** If you were not able to make it up today, no worries, we are open regular office hours tomorrow and Friday.

Now that the supply distribution is almost over it's time to focus on New Student Orientation (NSO) and our first Virtual Block Party scheduled for tomorrow Thursday September 3. Below you will find reminders and details regarding NSO. Following NSO tomorrow we will then send a notification with the links and details for the evening Virtual Block Party. I apologize for the volume of communications this week but we are trying to chunk the information one event at a time to avoid confusion over links and access to varying events.

We thank you for all of your patience and know that WLMS is ready to welcome you and your students for another amazing year at the Lake!

Have a good afternoon and evening. See you tomorrow virtually at the New Student Orientation or at the Virtual Block Party.

Chris Rattay, Principal
Wilde Lake Middle School
